

# Home Improvement for Value

How to choose what projects will increase you home's value the most

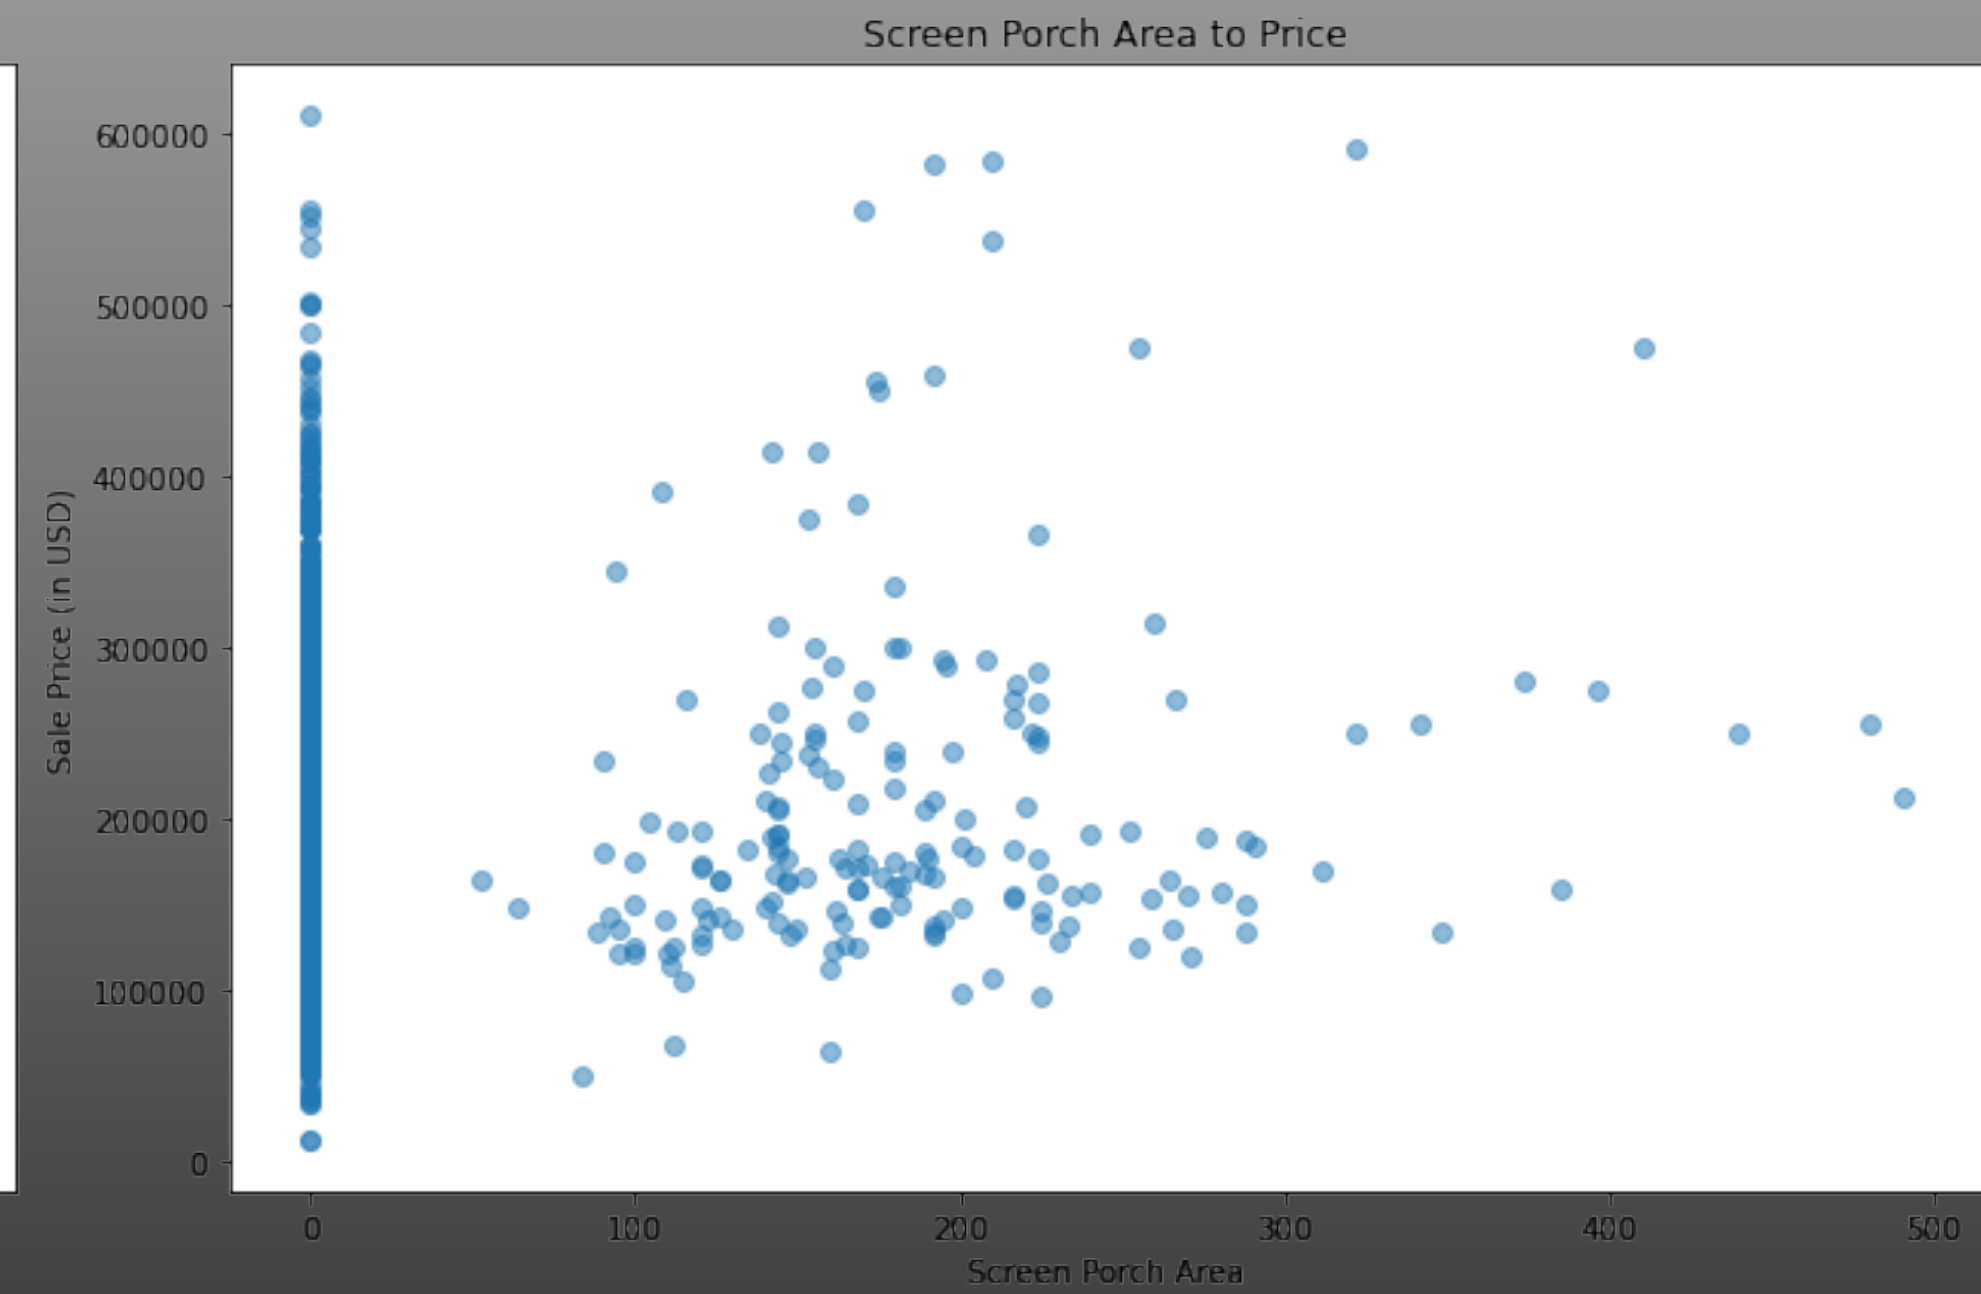

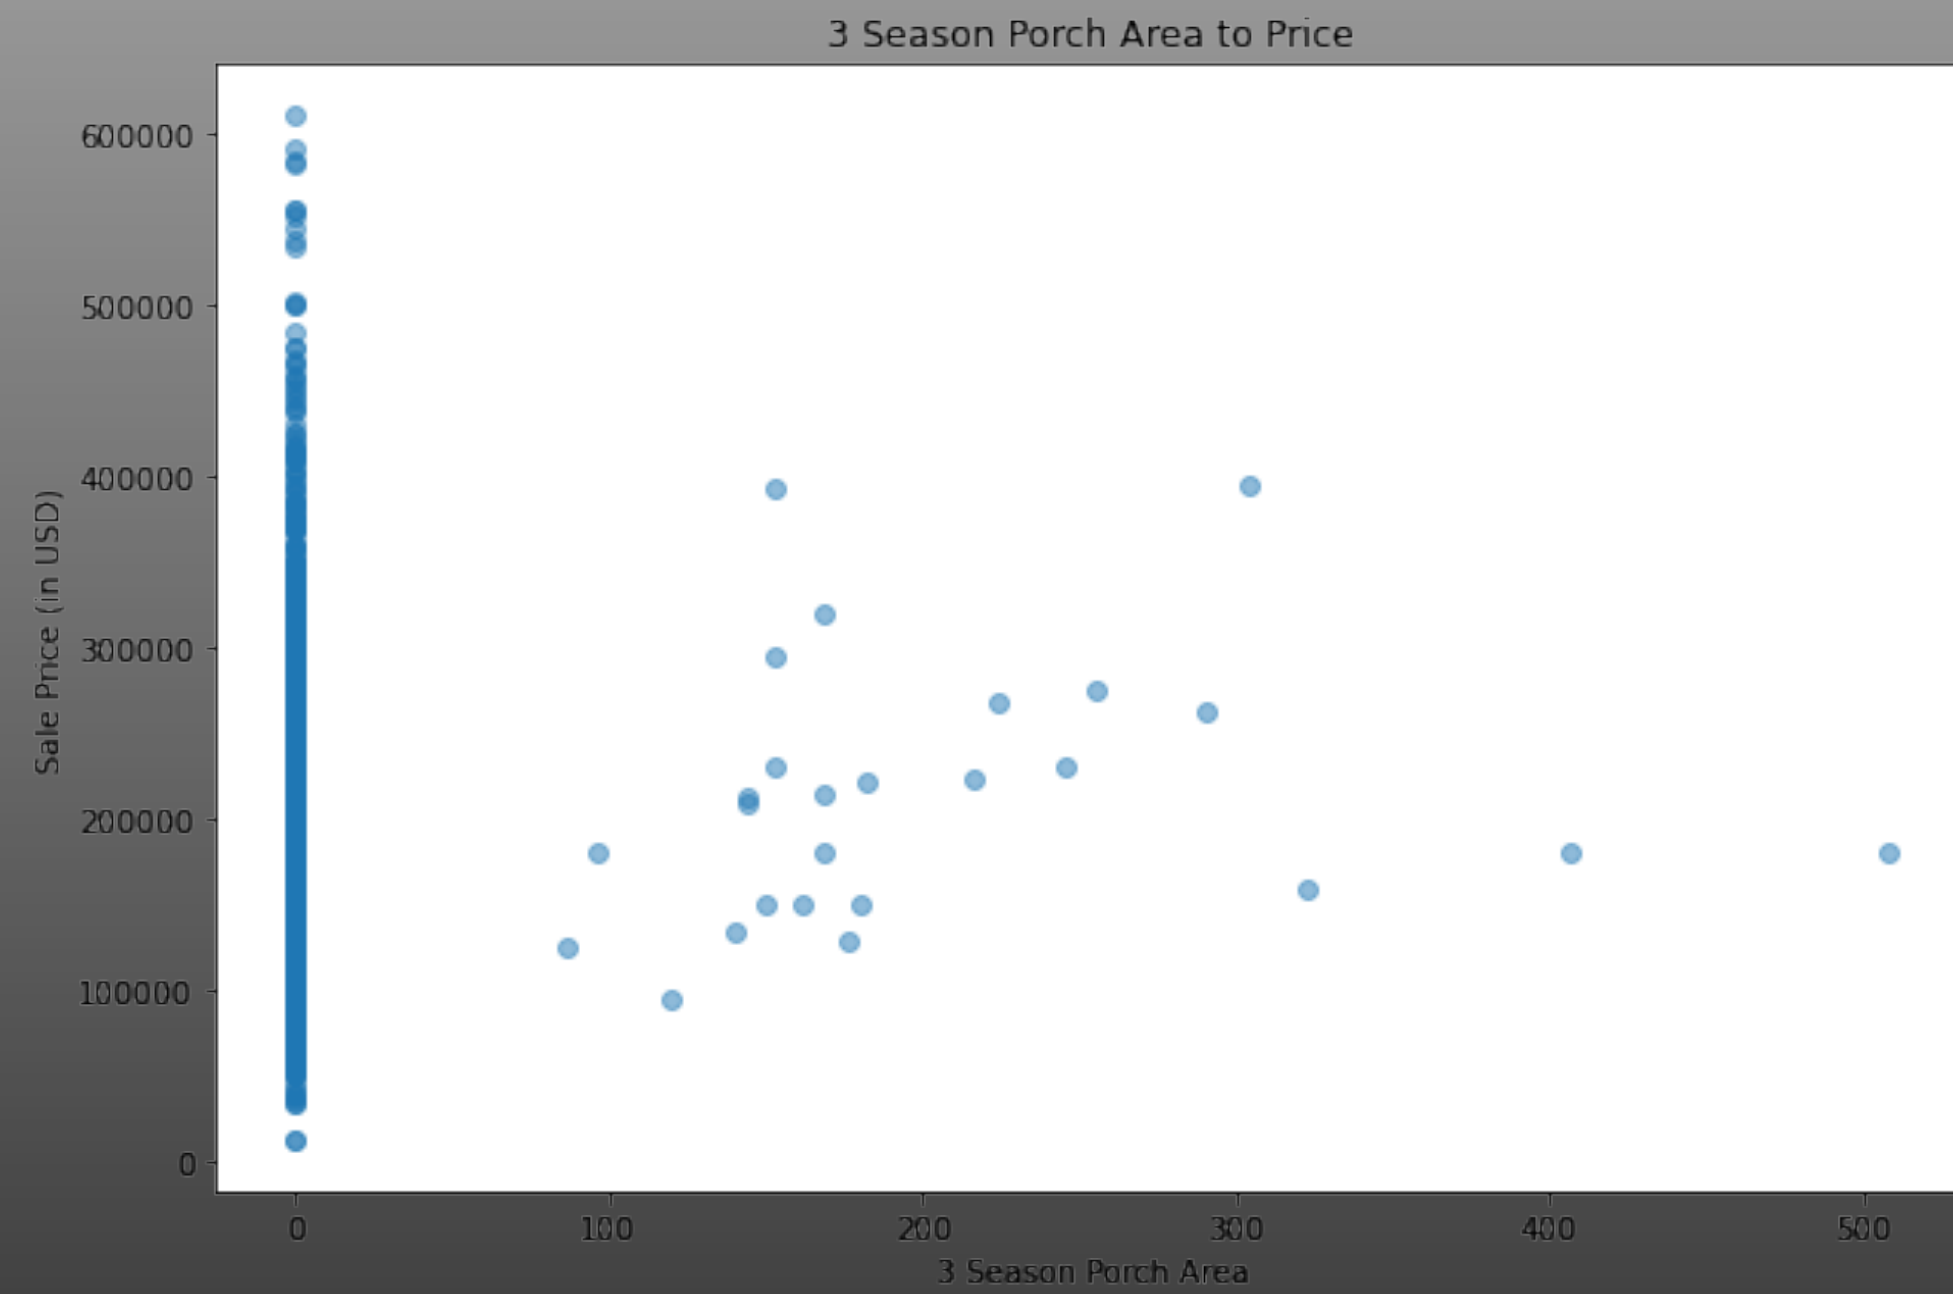

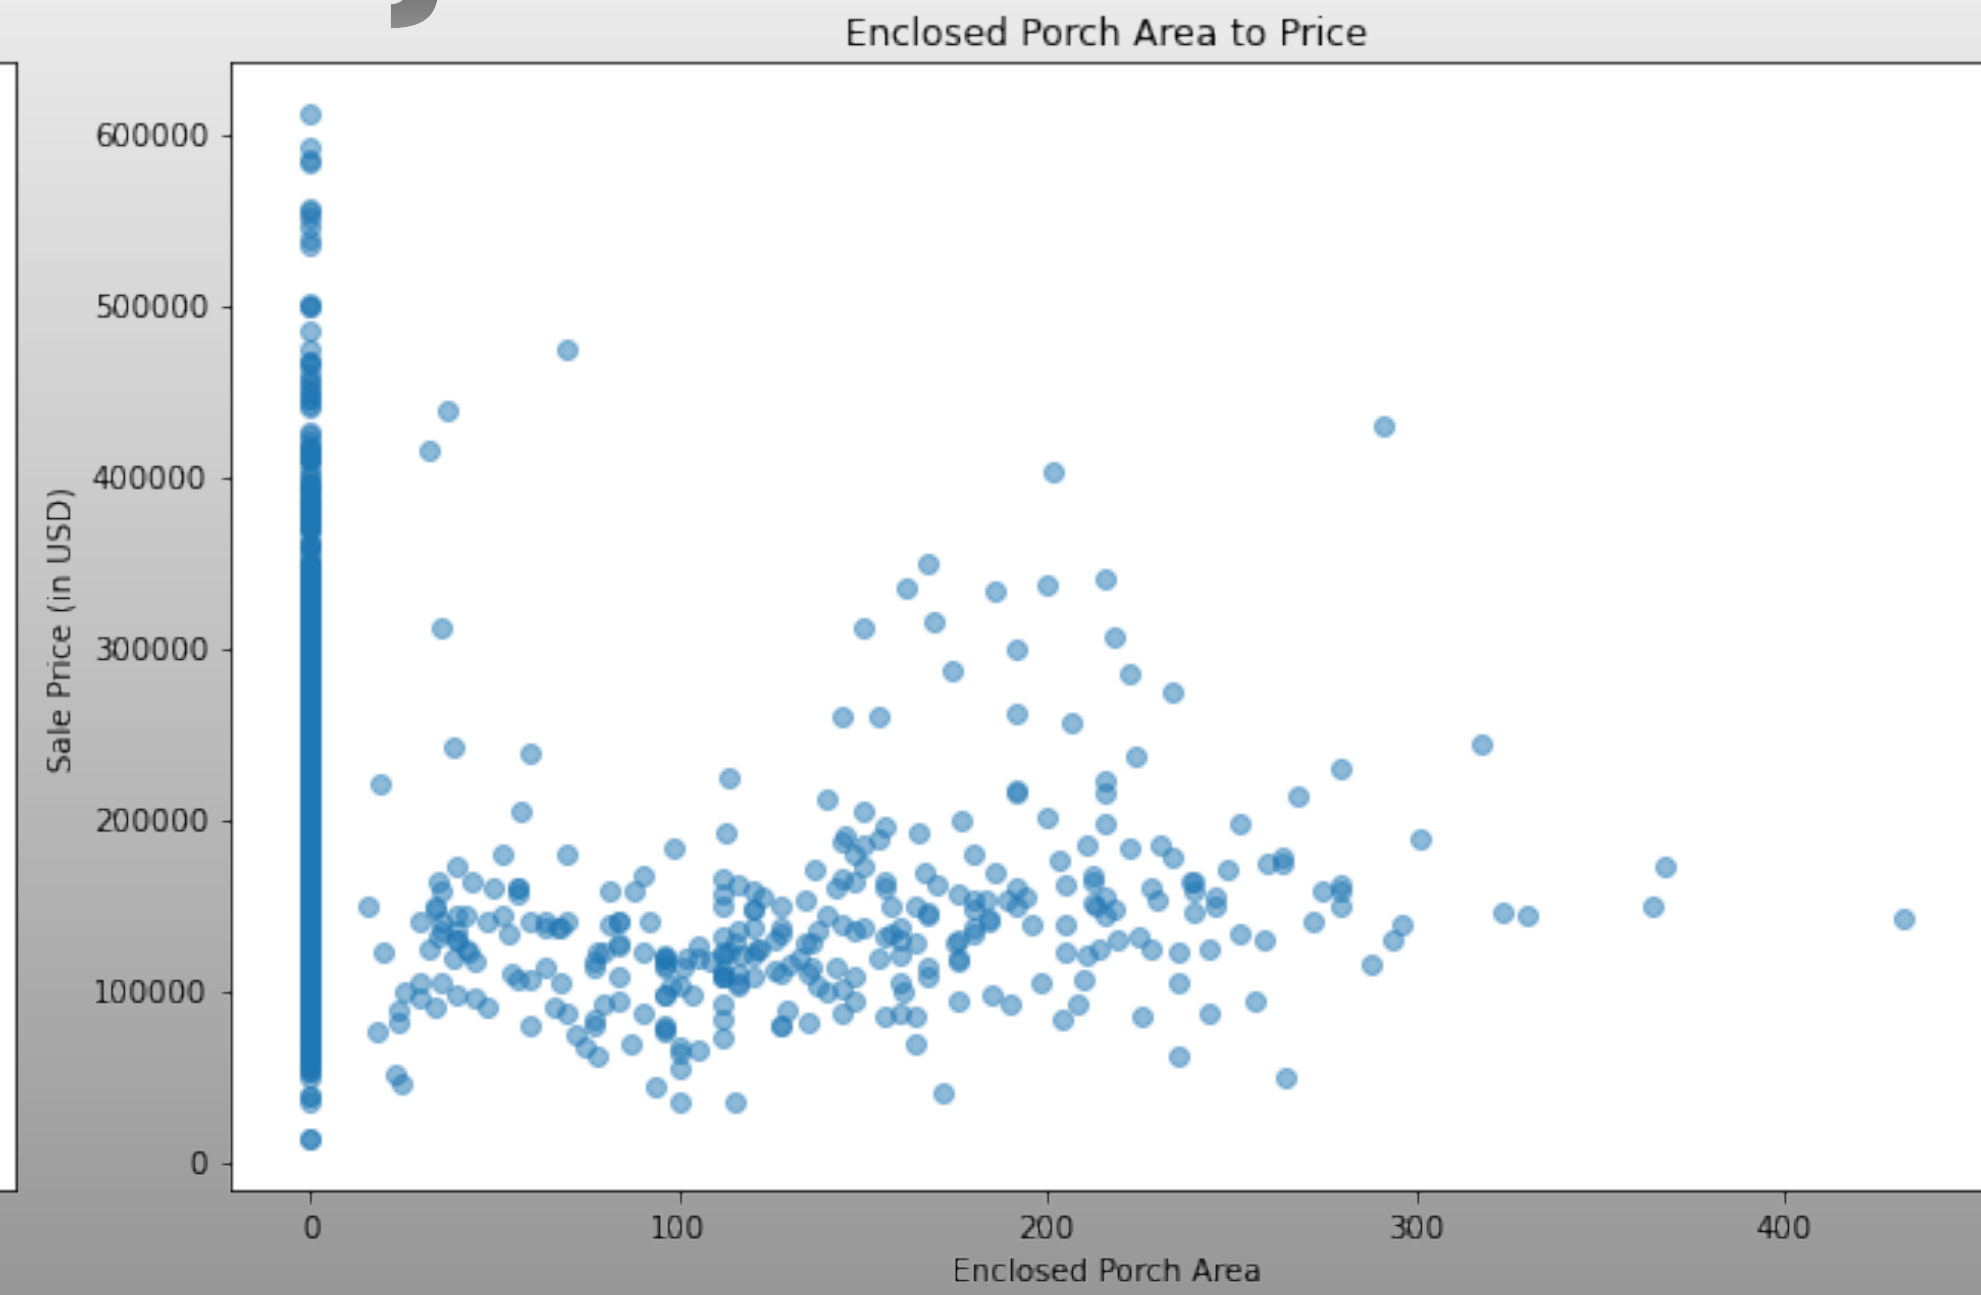

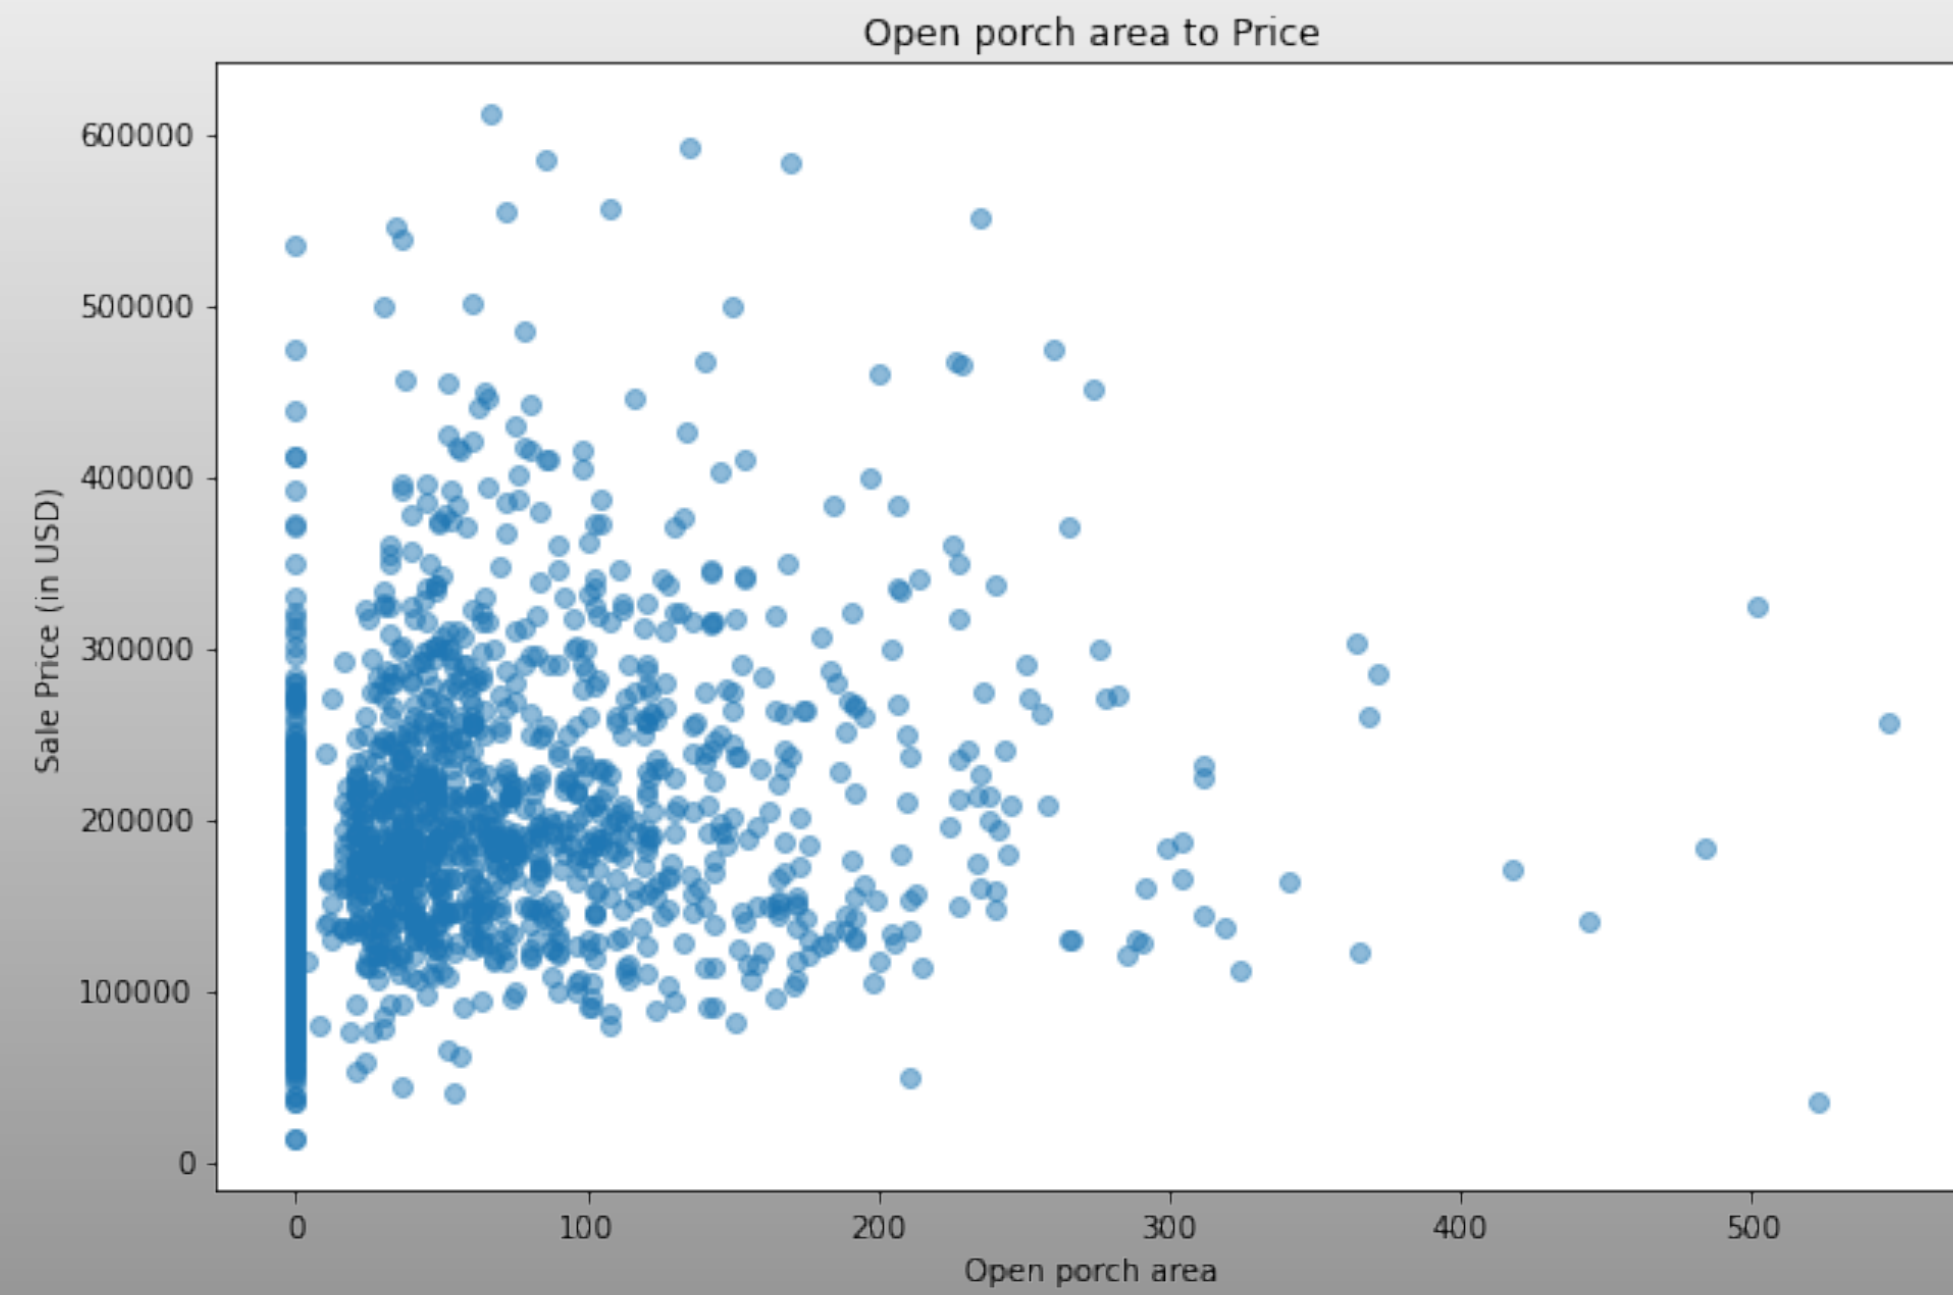

Samuel Yeager, January 18th 2021

# Garage Projects

- Improving your garage helps
- There is a threshold, however

# Porch Projects

# Overall Condition

Home improvement helps,  
but again, there is a threshold.

# In Conclusion

The home improvement projects you can achieve as a homeowner will certainly have an impact on the sale value of your home. However, you will face diminishing returns at a point, so weigh the cost of the improvements against the gained value to maximize your profit.
